

Alpine Angus: Maternal power delivers bull power.

The 2024 Alpine Angus Autumn Bull Sale is to be held at the Alpine Sales Complex at Rosewhite on Wednesday 13 March at 1pm offering 100 HBR and APR Angus Bulls. The Sale Bulls will be yarded for inspection by 10am on Sale Day.

Banquet Quarter Pounder Q252 VONQ252. ABS semen sire and \$60,000 top-priced bull at the 2022 Banquet Bull Sale.

Alpine Principal Jim Delany, 'Over the last few years, the Beef Industry enjoyed record market conditions with strong prices for cattle across the board, bulls included. It has been wonderful to see how well so many clients have presented calves they have bred with Alpine bulls, the success they have achieved and the demand they help create for Alpine genetics. Our thanks to them for their great support. In recent times markets cooled more than expected, but its been refreshing to see the corresponding rebound on the back of the Spring and Summer rains that were never meant to be! With record US cattle prices, hopefully this trend can continue. Just as we share the good times with our clients, we also share the more trying ones. We would also like to acknowledge the faith Angus purebred breeders and AI

companies have shown in the uptake of our genetics and hope they will continue to deliver the desired result. Our job is to make sure that whatever the market is doing, our bulls will position our clients at the top of that market with their progeny and promote structural integrity in their herds.'

Alpine source sires from both the USA and Australia from leading cow families, with pedigrees containing sound, proven genetics to compliment the Alpine herd and add performance and carcase merit while maintaining and/or improving basic traits that are a necessity for producing efficient working Angus bulls – sound feet, tight sheathes, good testicles, docility and all-black hides.

Alpine Manager Chris Oswin, 'The aim of our breeding program is to maintain a highly maternal and functional herd of Angus cows. We seek long fronted, feminine, sound, easy-calving cows with good udder-quality that are true-to-type and have a great temperament and structural integrity.'

The March 2024 sale will include lines of Calving Ease bulls by Karoo Main Event and Alpine Pablos Pulse. Both are proven consistent producers of high quality bulls with Main Event siring our 2021 top priced Spring Bull, Alpine Rip Wheeler R144 whose semen is marketed by Genetics Australia alongside another Main Event son in Alpine Main Event Q192.

There is also a run of higher IMF carcase bulls, with depth and constitution including sons of Murdeduke Quarterback and Alpine Junior M205. Chris Oswin, 'Quarterback sons have sold well across the country and were well appreciated at our last Autumn sale with a long bodied son topping it.'

Alpine Angus will also be offering a set of stout, thick bodied sons of USA Sires Sitz Stellar, Heiken Broadview and Baldrige SR Goalkeeper combining moderate Birth with explosive Growth. These three American sires were targeted for their ability to transmit easy calving, big growth rates and dense, deep bodied progeny.

A bigger framed run of Banquet Quarter Pounder sons, with plenty of length and ideal weaner producers will round out the sale offering. Chris Oswin, 'Quarter Pounder topped Banquets sale a couple of years ago where he impressed with his overall body mass and type. These are our first calves by him.'

For those wishing to view the Sale Bulls prior to Sale Day there are two options – firstly the Sale Preview to be held at the Alpine Sales Complex, Rosewhite on Sunday 3 March from 11am to 3pm – or alternatively by appointment with Alpine Manager Chris Oswin, Mobile 0427 562 254.

All the best,
Jim Delany *Principal*
Chris Oswin *Manager*

ALPINE ANGUS 2024 AUTUMN BULL SALE REFERENCE SIRES

Wednesday 13 March at 1pm
Alpine Sales Complex
1138 Happy Valley Rd,
Rosewhite, VIC 3737

14 SONS COONAMBLE NAVIGATOR N435

IDENTIFIER:
WDCN435
BIRTH DATE:
1/10/2017

- Coonamble Navigator is a super thick, wide-topped Discovery son out of a leading Coonamble dam.
- Full brother to Coonamble Nic Nat, a semen sire for Agri Gene and Coonamble Next Step, a herd sire at Coonamble Angus.
- He produces light born, quick growing calves that are deep with great muscle expression.

10 SONS ALPINE JUNIOR M205

IDENTIFIER:
CGKM205
BIRTH DATE:
29/8/2016

- M205 is a high Carcase Merit sire we used as an older bull to inject IMF into our herd. He produces long, big scrotal calves with good tops.
- He is sired by Coonamble Junior, a bull that did an excellent job raising carcass EBVs without sacrificing growth and constitution.
- His highly fertile dam has 5 daughters in our herd.

19 SONS BANQUET QUARTER POUNDER Q252

IDENTIFIER:
VONQ252
BIRTH DATE:
6/8/2019

- Quarter Pounder topped the 2022 Banquet sale at \$60,000, where he was well-fleshed and quiet, with great eye appeal.
- He produces strong headed, stretchy cattle with plenty of growth and a good frame.

BIRTH DATE:
10/7/2019

- Quarterback is a long, sound high IMF bull backed by an impressive stud producing cow family.
- He offers a great combination of short gestation length, birth to Growth spread, decent scrotal and high IMF.
- His calves are born light and early, are well structured with excellent Carcase traits.
- We used Quarterback to improve the Carcase potential of our cattle without sacrificing constitution.
